Hundreds of Attendees to Explore Solar Solutions for Sustainable Living at SBF

Solar Business Festival 2016

Austin, 10.09.2016, 03:05 Time

Global Attain Advancement - Hundreds of participants expected at SBF Austin 2016. The Solar Business Festival is a highly interactive conference and exhibition dedicated to creating an influential solar trading platform in Texas.

SBF 2016 will include one day of strategic & technical industry conference sessions and panel discussions providing latest trends in the solar industry, risk and finance regulation, initiatives, community solar, policies, regulatory framework, and more.

Themed under "Connecting the Texas Solar Industry"^[1], the event is designed to promote and advance the renewable energy industry in Texas and a glimpse of some exciting features include, SBF Conference, SBF Exhibition, SBF Solar Innovation Showcase, SBF Careers, SBF Concert and SBF Networking.

SBF will host over 25 speakers, with a confirmed opening keynote from Will Wynn, Advisor/Former Mayor of Austin. Other confirmed speakers from Siemens US, Just Energy Group, CB&I, Freedom Solar, Modernize, Environmental Defense Fund's, CMG Consulting, U.S. Commercial Service, Clean Energy Associates, Pecan Street, North America Solar, Clean Energy Collective, A Work of Art Solar Development, One80 Solar and more.

SBF 2016 is projected to host hundreds of visitors all of which have vested interests in actively growing the solar market in Texas. Some featured confirmed attending companies includes Caterpillar, Tesla Motors, Now Energy, Revolve Solar, SGP Energy, SunPower Corporation, Green Builder, Meridian Solar, South Texas Solar Systems, and more.

Whether you're interested in being an exhibitor, sponsor, partner or attendee at SBF 2016, the significant meeting place for the industry's key professionals, you will have the chance to tailor the event segments to be most relevant to you and your business.

Solar Business Festival is organized by Global Attain Advancement
